

Pioneer Reptiles, LLC presents:

## REPCO WILDLIFE PROGRAMS AND PARTIES

Get inspired about conservation as we offer engaging, exciting wildlife "edventures" you won't forget!

We offer the best in exciting wildlife education and entertainment, providing educational programs, birthday parties, events, and training classes for libraries, schools, scouts, churches, colleges, animal services, law enforcement, and festivals. We bring the awe inspiring encounter to your event or organization!

Specializing in reptiles and amphibians, we promote nature interaction and a deep connection to the great outdoors. To learn more about our programs and parties, check out REPCO Wildlife on YouTube!

## GO WILD WITH CRYSTAL POYFAIR!

## BRINGING THE JUNGLE EXPERIENCE INDOORS TO YOU!

Wildlife adventurer, educator, filmmaker, and naturalist, Crystal brings you decades of experience with exotic animals from around the world. Her involvement with media and travel provide an added unique style and comprehension to her wildlife educational programs. She has been featured on SnakebytesTV and is an Executive Producer on Herpers 3: Tales From The Field, the third installment of the award winning documentary series. Currently Crystal's nature based production company, Operation Earth Productions, is working on an online nature adventure series, REPCO Wildlife Adventures!

**Campgrounds and Resorts** – Keep your campers and guests entertained with up close wildlife encounters that is fun for all ages!

**Birthday Parties** – An unforgettable experience your child will remember for a lifetime!

**Libraries** – Bring in new patrons and watch the books fly off the shelves with our fun, educational programs!

**Schools** – We offer enthralling assemblies and hands-on classroom lessons that will have kids talking for weeks!

**Animal Services, Humane Societies, Law Enforcement, First Responders, etc.** – Learn how to handle exotics safely and responsibly. Learn basic care, identification, sexing, and more.
